15-Days Certificate Course for "Road Safety Auditors"

The Ministry of Road Transport and Highways (MORTH) has issued guidelines making it mandatory to carry out road safety audit at Design, Construction and Operation stages of all National Highway projects. It is recognised that roads need careful road safety audit so as to build and maintain forgiving roads. However, there is acute shortage of trained and qualified road safety engineers and auditors in the country.

2. Ministry of Road Transport and Highways have finalized the content for the 15 days certification mandatory course for becoming Road Safety Auditors. A tripartite agreement has been signed between the Ministry, Indian Roads Congress and various training imparting institutes including IAHE. The first 15 days certification course by IAHE was held from 1st -15th February, 2021 wherein 24 no. of Participants have successfully completed the Road Safety Auditor certificate course.

3. The fully residential 15 days course was planned to be commenced from 31st May, 2021 to 14th June, 202. However it was postponed due to Covid situation. **Now, it is decided to schedule the course from 2nd August, 2021 to 16th August, 2021** as per the standard curriculum through class room lectures, field works and practical/demonstration aspects of learning combined with academic assignments. The course would be conducted without break over two consecutive weeks comprised of theory, practical and assignments. **In this course, 30 participants will be registered on first-come-first-serve basis.** A brochure giving details including qualification & experience requirement for participants, course module & contents, evaluation criteria for certification, etc. along with registration form is enclosed herewith for necessary action.

4. **Course Fee:** The total cost of the 15 days course is **Rs. 88,500/- [Course fee (Rs. 75, 000/-) + GST @18 % of Course Fee(Rs. 13,500/-)] per participant.** The fee is inclusive of site visits, lodging and boarding of the participants in IAHE hostel.

5. **Assessment Criteria:** For successful completion of the course, the participant has to score minimum **75% marks** for certification.(10 % weightage for the attendance, 30 % weightage for Audit Reports submitted by each participant, 15 % weightage for presentation given by each participant and 45 % weightage for the Examination). **If any candidate fails to secure 75 % overall marks, then he / she shall have to repeat the examination only (with the participants of next batch of 15-days certificate course) to secure 75 % for getting the certificate. However, the candidate is not required to pay any additional Course Fee to the institute again. IAHE will not conduct separate exams for unsuccessful candidates.**

6. The intending participants/organisations are requested to send their nominations along with registration form and requisite amount of fee **latest by 23.7.2021.**
